

Dear bird fanciers,

The **Golden Ring Show v.z.w.** is a group of several West-Flemish special clubs and working groups, affiliated with C.O.M., K.B.O.F. and K.A.O.B.

The exhibition, which will be organized this year for the 29th time, is an international exhibition recognized by the C.O.M. We would like to welcome you in the Expo Schiervelde, Diksmuidsesteenweg 400 at 8800 Roeselare, on 02 and 03 December 2023.

There will be **exhibited in 9 sections**, with a total of 3000 titles. A gold, silver and bronze ring will be awarded for each section.

The Gold Ring, with embedded diamond, awards the best player in each section. Thanks to **Juweliers-Goudsmeden Blondeel**, our sponsor, who manufactures the bronze, silver and gold rings every year.

The **European COM Championships for parakeets and parrots (Section I)** will take place this year during the GRS. One European title will be awarded per classified groups.

Each participant who exhibits 12 birds will receive a **valuable package from bird feeders VERSELE-LAGA and a voucher worth € 25.00.**

The voucher must be exchanged at the VERSELE-LAGA stand during the exhibition.
